

# Best Blocks Cabernet Sauvignon

**2008** Bold, brooding Margaret River cabernet, flavours in the fruit cake spectrum, integrated spice, minty characters, nicely balanced after 18 months maturation in French oak barriques, fine, supple tannins.

*Kerry Skinner, Quench, February 2011*

**2008** It's hard to go past WA cabernet when looking for a reliable evening drop of red, so we didn't and were duly rewarded. 8.9/10.
