

Sauvignon Blanc Semillon

2008 A complex bouquet of grass, asparagus and citrus leads into a palate full of flavour and zest, with some tropical fruit components; acidity keeps the wine in good balance. **Rating: 91**

James Halliday, Australian Wine Companion 2010

2008 Like the aromas which are more in the herbaceous spectrum with some subtle snow pea dustiness. The tropical flavours are there with passionfruit and ripe melon. The palate is long and flavoursome with a persistent finish. Extra year has settled this down well.
Score 87/100

Ray Jordan's 2010 Wine Guide

2009 A potent bouquet, with a strong waft of asparagus and ripe citrus fruit; the focused palate follows suit, strengthened by acidity; can age for a year or two. **Rating: 90**

James Halliday, Australian Wine Companion 2011

2010 Aromatic, youthful blend of sauvignon blanc and sennillon; clean tropical fruit flavours, herbaceous characters, capsicum and snow peas, lively acidity and a crisp finish.

Kerry Skinner, Quench, February 2011
